HOSPITALITY CONSTRUCTION EXPERTS

Wolgast® Corporation is the leading provider of construction services in the Great Lakes Bay Region. For 75 years, we've delivered specific, customized solutions to each of our clients. As one of the few local firms offering our own staff of experienced construction professionals and a team of architects and engineers, Wolgast provides tailored construction solutions to solve the individual construction needs of our clients at an expedient pace. Because we're a systems driven company, we can keep our promises for your project to be on time, every time. Additionally, our estimating team is diligent to provide the most accurate and thorough pricing to hinder surprising contractor caused change orders during construction.

Solid Foundations...Solid Results...the Wolgast Way!
