RESTAURANT CONSTRUCTION EXPERTS

Wolgast® Corporation is the leading provider of construction services in the Great Lakes Bay Region. For over 75 years, we've delivered specific, customized solutions to each of our clients. As one of the few local firms offering our own staff of experienced construction professionals and a team of architects and engineers, Wolgast provides tailored construction solutions to solve the individual construction needs of our clients at an expedient pace. Because we're a systems driven company, we can keep our promises for your project to be on time, every time.

Solid Foundations...Solid Results...the Wolgast Way!

RESTAURANT CONSTRUCTION SERVICES:

Wolgast Corporation built their first restaurant, the Texan of Saginaw, Michigan, more than six decades ago. Since then, we've become one of the biggest restaurant contractors in the Midwest. Wolgast builds these restaurants throughout Michigan and has also traveled to build a few in Florida, South Carolina, Illinois, Indiana, Ohio, and Wisconsin. All of our customers receive the same quality customer service regardless of the size of their construction needs. Our systemized approach and construction delivery options offer many solutions to get your restaurant opened faster, so you can bring in revenue sooner.

SPECIALTY SERVICES:
